

NEW HOSPITAL STAFF . . . Heading up the speakers' table at the Torrance Memorial Hospital staff installation last Saturday were Dr. John Grube, assistant chief of staff; Dr. Richard Schaeffer, secretary-treasurer; Dr. Gerald M. Eastham, chief of staff; and Dr. John Wilson, head of the medical committee.

CHIEFS POW-WOW . . . Dr. Frederick Ewens, left, retiring chief of staff at Torrance Memorial Hospital, chats with Dr. Gerald M. Eastham, new chief, at installation ceremonies at the Palos Verdes Country Club Saturday night.

Square Dancers To Help March

A March of Dimes square dance will be sponsored by the Tuesday night square dance class of the Recreation Department on Jan. 26 at the Civic Auditorium, it was announced this week.

All proceeds from the dance will go to the March of Dimes. There will be no admission charged, but attendees will be asked to make a donation.

Gerald Reeser, regular caller for the class, will call the dances and there will be guest callers present to help out, he said.

Members of the Torrance Adult Club will serve refreshments at the dance, which begins at 7:30 p.m.

2.6 Birds Per Man Shot

The more than 37,000 hunters who shot ducks and geese on a dozen State-supervised public shooting areas during the past season averaged an unprecedented 2.6 birds per man, the final tally by the California Fish and Game shows.

This was the best score since the expanded management area program was begun in 1950.

How can you offer such low rates and still give complete protection?

That's a good question, and we have the answer. State Farm Mutual Automobile Insurance Company strives to insure only careful drivers. Careful drivers have fewer accidents. You pay the selling cost only once—that's the kind of insurance State Farm is famous for. So it costs State Farm less to do business, and because State Farm is a mutual company, the policyholders get the savings. If you don't have this low cost, dependable car insurance, call FA 8-3803 or FA 8-3804 and let your State Farm agent show you how you can get complete protection—at low cost!

Nazarenes Plan Nightly Services

Special Evangelistic services will be held nightly at the Torrance Church of the Nazarene, 1501 W. Carson St., during Youth Week, Jan. 24-31, according to the Rev. Freeman A. Brunson, pastor.

Speaker for the services, which will begin at 7:30 p.m., will be the Rev. James H. Jackson, president of the Los Angeles District Young People for the Church of the Nazarene, and bible and speech teacher at Pasadena College.

The services will be sponsored by the Young People's Society of the church and the public is invited to attend. The first service will be Sunday evening at 7:30 p.m.

Drivers Forced To Slosh Until Rights Restored

Sloshing through the muddled streets of Torrance today are local autoists who lost their driving rights during the period Dec. 28-31 when the Department of Motor Vehicles suspended or revoked their drivers licenses for traffic offenses.

Wet are Harden Allen, 21207 S. Avalon; Edward DeFoe Jr., 1221 El Prado; Mary Ellis, 20619 Oak Ave.; Richard Hoff, 2301 Opal; Harold Polzin, 5202 Clear-site St.; Ernest Ramirez, 1744 W. 254th St., Lomita, and Donald Thomas, 3212 W. 188th St., all suspended following an accident for failure to meet the requirements of the financial responsibility law.

Also George Powell, 1720 Cabrillo Ave., suspended on a drunk driving-injury charge; Claude Tolson, 1822 W. 213th St., suspended on a second drunk driving offense within seven years; and Kenneth Walker, 3530 Marina Ave., order of probation because of bad driving record.

Convicted of a violation but with no suspension recommended by the court were Walter Cooper, 25832 Narbonne Ave.; Dorothy Kime, Widman Trailer Ct.; Thomas King, 1024 Via Montemar, Palos Verdes Estates; and Lyle Wulff, 1765 W. 254th St., Lomita.

PICTURE TUBE

TWICE THE PICTURE POWER!

The inside face of Cinebeam picture tube is coated with silver activated phosphors. These are sealed in for life by millions upon millions of tiny furnace-proof metallic particles which are set as mirrors. These mirrors reflect all of the electronic light out through the face of the picture tube—none can remain inside. This doubles the picture power.
